

Philips  
Pressurised ironing system

GC6340

## Simple, fast and effective

Double your ironing speed with pressurized steam

The 6340 is created to reduce the ironing time. A constant steam rate up to 95 g/min and a steam pressure up to 4 bar that penetrates deep into the fibres delivers an exceptionally fast and professional result even on difficult fabrics.

### **Easily removes creases**

- Vertical steam for crease removal in hanging fabrics
- Continuous steam output up to 95 g/min

### **Smooth gliding**

- Careeza soleplate for exceptional gliding on all fabrics

### **Simpler ironing**

- Variable steam settings to suit every garment

### **Faster ironing**

- Up to 4 bars of steam pressure for fast ironing

**PHILIPS**  
sense and simplicity

## Specifications

### Easily removes creases

- **Optimal vent pattern:** For the best steam distribution

### Reaches into tricky areas

- **Button groove:** Speeds up ironing along buttons and seams

### Full control

- Two separate switches for iron and boiler
- Iron temperature ready light

### Longer lifetime
